CONTENTS OF VOLUME 54

Accipiter nisus: predation on barn swallows 1545
Acheta domesticus: females prefer large males 1553
Acrocephalus arundinaceus: infanticide in 297
Adélie penguins: feeding chases and food allocation in 1047
Aegolius funereus: vole scent marks visible in ultraviolet light 873
Agelaius ruficapillus: brood parasitism by shiny cowbirds 927
aggression
among female lapwings 797
and group size in marmosets 171
mole-rats, harderian gland secretions and 1255
Agkistrodon contortrix: dominance and mating success in 213
agonistic experience in male copperheads 213
AHO, T., KUITUNEN, M., SUHONEN, J., JÄNTTI, A., HAKKARI, T. Behavioural responses of Eurasian treecreepers, *Certhia familiaris,* to competition with ants 1283
alarm-call responses in Belding's ground squirrels 509
ALATALO, R.V. *see* RINTÄKI, P.T. allogrooming in Capuchin monkeys 199, 361
Alouatta seniculus: specific defecation sites as parasite avoidance strategy 451
ALTMANN, J. *see* MARGULIS, S.W.
Alytes cisternasii: male call and female preference in 1333
Alytes obstetricans: male call and female preference in 1333
American robins: finding worms 143
AMUNDSEN, T. *see* FISKE, P.
Anas acuta: hormonal dynamics during mate choice in 1117
Anolis cristatellus: signalling during predator-prey interactions 1147
antennal asymmetry in cerambycid beetle 1509
Anthus petrosus
cooperative defence 535
territory size and food supply 67
Anthus pratensis: nestling condition on risk-taking 1531
ants
invertebrate drift of 89
orientation during slave-making raids 1425
self-organizing nest construction in 779
treecreepers: competition with 1283
worker reproduction and social hierarchies in 1849
Apis mellifera
flower constancy and learning in 615
unequal subfamily proportions among 1483
APPLEBY, M.C.
see COOPER, J.J.
see FRIERE, R.
Apus apus: fledging in 99
Arabian babblers: helping-at-the-nest 1439
ARVIDSSON, B., ASKENMO, C., NEERGAARD, R. Food supply for settling male rock pipits affects territory size 67
ASKENMO, C. *see* ARVIDSSON, B.
associative learning by locusts 1449
baboons
cohort size and allocation of social effort 1235
dominant, reconciliatory grunts by 409
female, adaptive value of 'friendships' to 599
refuge use and predation risk in 241
BALDA, R.P. *see* BEDNEKOFF, P.A.
barn swallows: sparrowhawk predation on 1545
Batrachyla antartandica: evoked vocal responses of 833
BAUCHAU, V., SEINEN, I. Clutch desertion and re-nesting in pied flycatchers: an experiment with progressive clutch removal 153
BEANI, L. *see* FUSANI, L.

BEAR, A., HASSON, O. The predatory response of a stalking spider, *Plexippus paykulli,* to camouflage and prey type 993
beavers: sibling recognition in 493
BEDNEKOFF, P.A., BALDA, R.P. Clark's nutcracker spatial memory: many errors might not be due to forgetting 691
behavioural correlates of monogamy in the noisy miner 571
Belding's ground squirrels: alarm-call responses in 509
BENHAMOU, S. Path integration by swimming rats 321
BENNETT, A.T.D. *see* HUNT, S.
BENSCH, S. *see* HANSSON, B.
BERNSTEIN, I.S. *see* PARR, L.A.
biparental care
nest-vicinity song exchanges of northern cardinals 189
and offspring recognition in cichlid fish 803
in wood-dwelling termites 163
birds
brood division and offspring size 1357
putting a flock to flight 1517
song memorization differs in males and females 587
visual stimuli in 1019
BISAZZA, A., PIGNATTI, R., VALLORTIGARA, G. Laterality in detour behaviour: interspecific variation in poeciliid fish 1273
BISAZZA, A. Sexual selection constrained by internal fertilization in the livebearing fish *Xenotoca eiseni* 1347
black grouse
copulation success in 265
sexual selection 255
BLANCO, G., TELLA, J.L. Protective association and breeding advantages of choughs nesting in lesser kestrel colonies 335
BLAY, S., YUVAL, B. Nutritional correlates of reproductive success of male Mediterranean fruit flies (Diptera: Tephritidae) 59
BLOMQVIST, D., JOHANSSON, O.C., UNGER, U., LARSSON, M., FLODIN, L.-Å Male aerial display and reversed sexual size dimorphism in the dunlin 1291
bluethroats
female prefer males with symmetric colour bands 81
male mate-guarding behaviour in 121
BOAKE, C.R.B., POULSEN, T. Correlates versus predictors of courtship success: courtship song in *Drosophila silvestris* and *D. heteroneura* 699
boat-tailed grackle: mate choice in 525
body mass regulation in female starlings 279
body size in dominance and mating success in male copperheads 213
BOERSMA, P.D., DAVIS, L.S. Feeding chases and food allocation in Adélie penguins, *Pygoscelis adeliae* 1047
BOESCH, C. Evidence for dominant wild female chimpanzees investing more in sons 811
Bombus spp.: pollen collection by 911
